Williamsburg Chapter  
Virginia Society  
Sons of the American Revolution

*By signing the Declaration of Independence, the fifty-six Americans pledged their lives, fortunes, and sacred honor. Nine died of wounds during the Revolutionary War. Five were captured or imprisoned. Wives and children were jailed, mistreated, or left penniless. Twelve signer's houses were burned to the ground. No signer defected. Their honor, like their nation remained intact.*

## Message from the President

Gentlemen, our Chapter has traditionally been an active participant in the May Williamsburg Memorial Day events. On Monday the 25 of May we have again been invited to participate in the day set aside to honor our nation's military members. It is especially appropriate for us, as SAR members, to attend the Memorial Day events. An SAR presence provides a visual reminder to our fellow citizens of the sacrifices that created their Republic 240 years ago.

The celebration starts at the Governor's Palace at 9:45am. Our Chapter and the DAR will present wreaths and our Color Guard members act as honor guards. All Chapter members are encouraged to walk with the speakers, Color Guard, and Fife & Drums to Bruton Parish Church. Events at the Church will include a wreath presentation, a brief Memorial Day message by LtCol Carl Polifka, and a hymn played by the CW Fife & Drum Corps. The entourage will continue to the site of the graves of our Revolutionary War French allies near Providence Hall. At the conclusion of these ceremonies our SAR chapter will convene at the King's Arms restaurant for lunch and a short May Chapter Meeting.

**Members who might consider participating in all of the events a bit too physically challenging should plan on joining us at the Kings Arm's Tavern on**

**Duke of Gloucester Street at 11:30am. Please get your reservations to Jack Lee soonest to allow the tavern to set aside enough spaces for us.**

Participation in state wide events has been our hallmark for April. On 18 April two of our members joined VASSAR History Day Chairman, Tom Whetstone and Thomas Nelson Chapter President, Bruce Meyer judging all state wide entries whose topic dealt with the American Revolutionary War. A middle school entry titled Patrick Henry and a senior high essay on Thomas Jefferson were awarded VASSAR certificates and medals, as well as \$100.00 each from our Williamsburg Chapter. We were also represented by several members at James Monroe's 257 Birthday Anniversary at his home in Westmoreland County and at the Hollywood Cemetery in Richmond. Our Chapter ceremonial wreath was presented at both events.

Tom Morr presented SAR certificates and silver medals to the Outstanding ROTC Cadet at the College of William and Mary and to the Outstanding High School ROTC Cadet at Charles City County High School.

**Let us pledge to honor our Patriot ancestors' on our nation's Memorial Day by attending the meeting at King's Arms on 25 May.**

## Hermione Meeting at York Hall

Gentlemen,

I attended the subject meeting last night in York Hall and the following are the major items of what transpired:

The York County Hermione website is up and running and has a comprehensive schedule of both pre-visit and visit events. It may be accessed at [www.hermioneyorkown.com](http://www.hermioneyorkown.com)

Due to unrelated ship activity in Norfolk, the Hermione will sail into the York River Thursday evening and "hide" upriver until sailing into Yorktown 8:30am Friday morning.

Ship visitation hours and people numbers have been increased. They plan on 300 people an hour in groups of 25. The hours are 2:00-7:00pm Friday and 9:00am-7:00pm Saturday and 9:00am-4:00pm Sunday as noted on the website schedule.

The free ticket booth opens 12:00pm Friday and 8:00am Saturday and Sunday. The tickets will be marked with a boarding time.

Note that the website schedule is subject to change

VASSAR will not have any role other than possibly the VASSAR Color Guard. I brought the subject up at both the March meeting and the one last night and the York County Parks manager said color guard participation in the ceremony at the French monument was a possibility but the issue was "number 27" on the hit list. I sent him an e-mail this morning requesting that if a positive answer materializes, we need to know that very soon. I am not very optimistic about the outcome however.

More meetings are in the offing and I will attend if possible. I am very curious if the Mount Vernon and Alexandria visits are any different regarding SAR non-participation.

Best regards,

- Ed Truslow

## 2015 SAR/DAR/CAR Bermuda Gunpowder Plot Trip

Compatriots,

The SAR-DAR-CAR trip to Bermuda to commemorate the 240th anniversary of the Bermuda Gunpowder Plot will take place in August 2015. We are planning four (perhaps more) very special SAR-DAR-CAR events, including the dedication of two historical markers (at the site of the gunpowder magazine and near the birthplace of two Bermuda-born Patriots) and an interpretive sign (at Tobacco Bay Beach, where the gunpowder left shore for waiting American ships). We likely will have participation by the Governor, the Premier and the U.S. Consul General. But there will also be time for participants to enjoy the stunning beauty of Bermuda, from its pink sand beaches to its world-class golf courses!

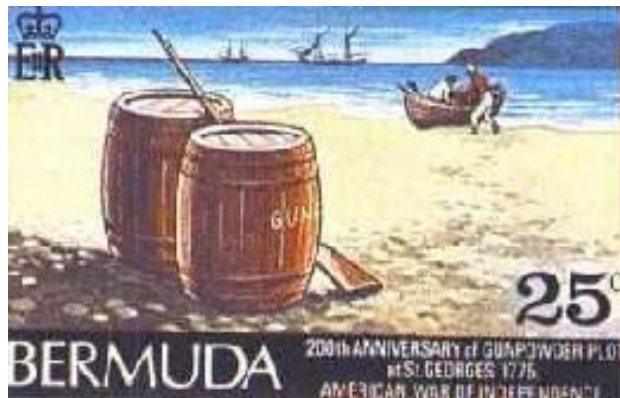

Our headquarters is the Fairmont Southampton, one of the finest hotels on Bermuda -- and just a short walk from the world-famous Horseshoe Bay Beach.

This trip is open to SAR, DAR and CAR members and their families. All of the special events will be joint SAR-DAR-CAR events with official participation from all three organizations.

For more information, please contact me at [elston.sar@gmail.com](mailto:elston.sar@gmail.com) or you can peruse the preliminary itinerary at:

<https://prod.groupandevent.net/register/bermudapatriots>

To access the site, use the password gunpowder15. Registration and a \$200/person deposit will hold your place on the trip.

Feel free to share this with other SAR and DAR members in your local area who you think may be interested in the trip. If you have any questions, please do not hesitate to contact me.

## Registrar's Corner

If you take a look at our Chapter's web site you will find that the names of member ancestors are displayed along with a brief description of their contribution to the cause of Liberty. I have accumulated these from your applications. I'm not aware any other chapter does this. We have two members who are descendants from men who signed the Declaration of Independence.

The ancestors' list includes generals and privates, a couple of spies, a chaplain, men AND women who provided supplies to militia and Continental line troops. One ancestor contributed only one day, marching toward Lexington with a militia unit; others donated themselves as substitutes for a relative or neighbor. Some later served in government while others led the movement west into unknown adventures in unsettled territory.

If your ancestor's name is missing, send me a record copy of your application for my files.
